elliptipar® with LED

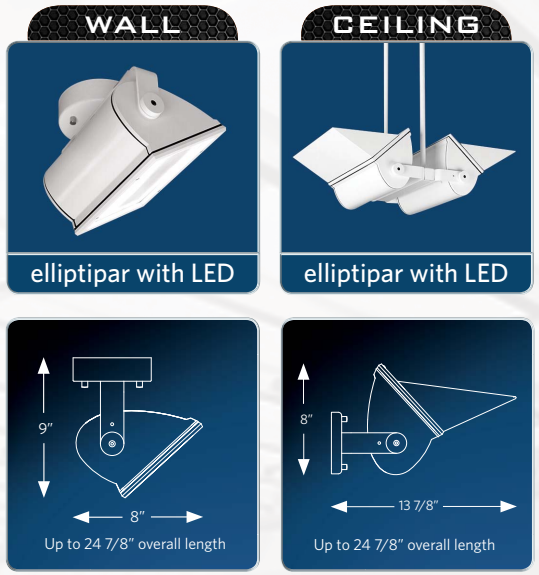
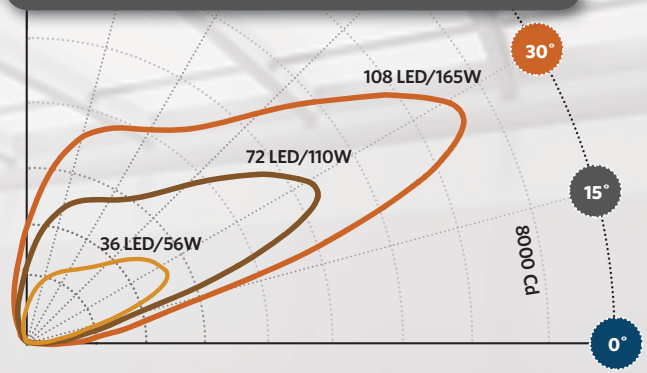
your 4-digit Quickfinder code at www.TheLightingQuotient.com

elliptipar... there is no equal



12"	17"	24"
36 LEDs	72 LEDs	108 LEDs
56W	110W	165W
3812 lm	7569 lm	11,365 lm

Based on 4000K/70+CRI



- **Patented fraqtir™ optics — elliptipar**'s premiere LED optical system — deliver light to the target, minimizing spill light and glare
- **Asymmetric forward throw and wide lateral distribution** — produces uniform illumination on surfaces, permitting larger on-center spacing
- **Adjustable and lockable aiming** — aiming index allows consistent aiming from fixture to fixture, locking set screw retains position
- **Integral constant current drivers**, 120-227V universal voltage input with several dimming protocols available
- **Mounting options** — surface, cantilever, 1/2/3/4-way uplight pendants
- **Natatorium option** — provides indirect illumination for the space from the perimeter, eliminating glare for swimmers while facilitating access for cleaning
- **Multiple color temperature and CRI choices** — 2700K, 3000K, 3500K or 4000K at 70, 80 or 90+CRI
- **Excellent lumen maintenance** — L90(6k)>36,000 hours
- **CSA certified** for damp locations
